*The good people at the Suffolk County Department of Health would like us to remind you that this menu item consists of or contains meat, fish, shellfish, or fresh shell eggs that are raw. Consuming raw or under cooked meats, fish, shellfish or fresh shelled eggs may increase your risk of food-borne illness, especially if you have certain medical conditions. Not to mention squirrels, caterpillars, spiders, water snakes, lions, tigers and bears. And wash your hands, just because it's the right thing to do.
